The Art of War Wikipedia

The Art of War remains the most influential strategy text in East Asian warfare and has influenced both Eastern

and Western military thinking, business tactics, legal strategy and beyond. The book was translated into French and published in 1772 (re-published in 1782) by the French Jesuit Jean Joseph Marie Amiot .

the best war strategy book History Forum historum com

I'd say Clausewitz's "On War" is the best strategy book on war ever. Not only does he list all the major important factors like concentration of force, attacking at the decisive point, defense is superior to attack, attack with speed etc, but his is the only book that describes war how it really is.
