Richard Speck Wikipedia

Richard Benjamin Speck (December 6, 1941 December 5, 1991) was an American mass murderer who systematically tortured, raped, and murdered eight student nurses from South Chicago Community Hospital on the night of July 13 into the early morning hours of July 14, 1966.. He was convicted at trial and sentenced to death, but the sentence was later overturned due to issues with jury selection

Causes of autism Wikipedia

Genetic factors may be the most significant cause for autism spectrum disorders. Early studies of twins had estimated heritability to be over 90%, meaning that genetics explains over 90% of whether a child will develop autism. However, this may be an overestimation, as new twin studies estimate the heritability at between 60 90%.

Ovary Epithelial tumors

Etiology: Epidemiology studies have provided data showing increased risk for ovarian cancer with greater numbers of ovulation cycles. Multiple pregnancies and use of oral contraceptives are thought to have a protective effect because of decreased ovulation and hormonal influences.

Survival of the nicest smelling by Peter Frost The Unz

Today, the names of our chief perfumes are often of Arabic or Persian origin: civet, musk, ambergris, attar, camphor Very minor nitpick, but I think attar and camphor are of Indian origin. Ittar and Kapoor are equivalent Hindi words (and cognates exist in other Indian languages), and these two objects have been known in India for a long time.
