A Duke of Her Own Desperate Duchesses 6 by Eloisa James

A Duke of Her Own by Eloisa James I am seriously going to have to enter a 12-step program to get over my addiction to A Duke of Her Own. I cannot stop re-reading this sucker. I just re-read it for the third time in a matter of weeks. It doesn't look like anything special (cheesy pastel romance cover).

A Duke of Her Own Desperate Duchesses Series 6 by

Eloisa James is a USA Today and New York Times bestselling author and professor of English literature, who lives with her family in New York, but can sometimes be found in Paris or Italy. She is the mother of two and, in a particularly delicious irony for a romance writer, is married to a genuine Italian knight.

A Duke of Her Own Desperate Duchesses Eloisa James

Eloisa James writes insightful, entertaining romance. I especially loved Villiers! A duke owning up to his past indiscretions and taking responsibility for his illegitimate children is a man I can root for.

A Duke of Her Own Audiobook by Eloisa James Audible com

"A Duke of Her Own" is truly a delightfully easy-listening audiobook. As much comedy as a romance, with subtle fun and very sympathetic heroes and heroines. A bit like a traditional chamber play with a grand HEA end. ~ I enjoyed a lot. I LIKE - comic hilarious love-adventures in old-time castles..
