## RELATED BOOK :

### **Holes Book Review Reviews Age Ratings Best Movies**

The harshness of the situation is mitigated by the multifaceted mystery and by the strangely lighthearted way the author tells the story. At the end the author deliberately leaves a few holes in the plot for the reader to fill in.

Sachar has a bizarre imagination, and in this vivid, many-layered book he puts it to its most compelling use yet.

### **Holes book review Curled Up With A Good Book**

Louis Sachar's Holes is just about perfect. Maybe it isn't the best book ever written or even the best children's book ever written, but it is perfect in that it does exactly what it sets out to do: tell an exciting children's adventure story with profound things to say about prejudice, friendship and loyalty and does it beautifully.

### **Amazon.com Customer reviews Holes Holes Series**

The reason I read this book is that it is a selection of my book club. I am not sure exactly why it is a selection as my book club is mostly senior citizens and no very young members. The book itself is not lengthy.

### **Holes with Connections by Louis Sachar Goodreads**

Digging Holes (A Book Review of Louis Sachar s Holes) Welcome to Camp Green Lake! Only it s not the kind of lake or the sort of camp you have in mind. It s a dry, flat wasteland and it s a boys juvenile detention center. Definitely that doesn t spell F-U-N.
