Soul Retrieval Shaman Links

When performing a soul retrieval, the shamanic practitioner will create a sacred space for you. This space is one where you are held in a container of love, and one that protects you from the interferences of the outside world. If you become vulnerable during the soul retrieval, the shamanic practitioner protects that vulnerability.

Soul Retrieval SharedWisdom

The shamanic practice known as soul retrieval is perhaps the most important level of healing in spirit medicine because once the spiritual-energetic nature of an illness-causing intrusion has been addressed, the cause is still unresolved, namely the tears in the fabric of the sufferer's soul cluster that allowed the intrusions to enter in the first place.

Soul Retrieval Shaman's Touch

Traditional shamanic soul retrieval involves journeying to alternate worlds to locate and recover the soul. Once recovered, the shaman will blow the soul back into the receiver. In this process, the subject is a passive participant. The shaman alone has the power and the ability to recover the soul.
