### **Resting After Embryo Transfer Fertility Experiences**

After an embryo transfer, most of our patients feel guilty for not resting enough, especially when the cycle isn't successful. We tell them rest isn't necessary right after embryo transfer or even during the days after, but they're surprised by this fact and don't pay much attention to us.

### **Near death experience Wikipedia**

A near-death experience (NDE) is a personal experience associated with death or impending death. When positive, such experiences may encompass a variety of sensations including detachment from the body, feelings of levitation, total serenity, security, warmth, the experience of absolute dissolution, and the presence of a light.

### **Afterlife Wikipedia**

The afterlife (also referred to as life after death) is the belief that the essential part of an individual's identity or the stream of consciousness continues after the death of the physical body. According to various ideas about the afterlife, the essential aspect of the individual that lives on after death may be some partial element, or the entire soul or spirit, of an individual, which
