Examcrackers MCAT 101 Passages Cars Critical Analysis

I have to agree with most of the other reviews on this one. The leaps in logic for some of the answers in this book put Olympians to shame. It is good if you are already pretty solid in your CARS and want to push yourself a bit more (and even then I still don't think it is the best choice) but otherwise I would advise focusing on using something more representative like the AAMC Q bank.
