Adolescent cliques Wikipedia

Adolescent cliques are cliques that develop amongst adolescents. In the social sciences, the word "clique" is used to describe a group of 2 to 12 (averaging 5 or 6) "who interact with each other more regularly and intensely than others in the same setting". Cliques are distinguished from "crowds" in that their members interact with one another (e.g. hang out together, go shopping, play basketball).
