Interior design Wikipedia

A pivotal figure in popularizing theories of interior design to the middle class was the architect Owen Jones, one of the most influential design theorists of the nineteenth century. Jones' first project was his most important in 1851, he was responsible for not only the decoration of Joseph Paxton s gigantic Crystal Palace for the Great Exhibition but also the arrangement of the exhibits

Architecture Wikipedia

Architecture is both the process and the product of planning, designing, and constructing buildings or any other structures. Architectural works, in the material form of buildings, are often perceived as cultural symbols and as works of art. Historical civilizations are often identified with their surviving architectural achievements.
