### **What is a Split Air Conditioner System Network**

Another benefit of a split air conditioner system is that you may opt for a multi-split system, where you can have more than one indoor unit connected to a single outdoor unit. This makes it easy to cool multiple rooms or maintain the temperature throughout a large room via the use of two indoor cooling units.

### **What is a Mini Split FUJITSU GENERAL United States Canada**

Mini-split systems have little-to-no ducts, so they avoid the energy losses associated with the ductwork of central forced air systems. Duct losses can account for more than 30% of energy consumption for space conditioning, especially if the ducts are in an unconditioned space such as an attic or basement.
