His Story Beau Breems 9780976868026 Amazon com Books

This book has captured the essence of the gospel in a way no other book I have read has. The art work in the book explains it without words but the words are so clear that you won't want to get lost in the art. This is great - Thank you Beau - It's about time someone has captured the gospel so clear but so accurate.

Jip His Story by Katherine Paterson Goodreads

JIP His Story ended up being my last book but only because I accidentally left it at the office and started on Devilish. I wish that I had not ended the book challenge with this book because it really was a downer. That does not mean it's not a great book.
