### A Song of Ice Fire Fans Most and least favorite books

So which book do you like best and least in ASoIaF series? A storm of sword is unquestionably my favorite in the whole series. It is also the saddest and cruelest book in my opinion. Those who have read the 3rd book will now why. My least favorite book is A Dance with Dragons. The fifth book was a complete disappointment to me.

Book Review A Song of Ice and Fire by George R. R. Martin: A tremendous epic of all times in which the transformation of each character is absolutely hard hitting, real and compelling. The reader is forced to transcend to that era feeling the pain and ruthlessness of circumstances, and witnessing the hardening of personalities in the book.

The language is rough, the violence is brutal, and the sexual content sometimes veers into the perverse (including brother-sister incest).
