360 degree feedback Wikipedia

A 360-degree feedback (also known as multi-rater feedback, multi source feedback, or multi source assessment) is a process through which feedback from an employee's subordinates, colleagues, and supervisor(s), as well as a self-evaluation by the employee themselves is gathered. Such feedback can also include, when relevant, feedback from external sources who interact with the employee, such as

360 degree feedback

What is 360 degree feedback? In business organisational development, 360-degree feedback, also known as "multi-rater feedback," "multisource feedback," or "multisource assessment," is feedback that comes from all around an employee. "360" refers to the 360 degrees in a circle, with an individual figuratively in the centre of the circle.
