The Teacher from the Black Lagoon by Mike Thaler Jared D

The Teacher From the Black Lagoon is about a little boy and a dog. In school the little boy has a problem. The little boy was having a dream that the teacher was a dino! My favorite part was when the teacher shrunk Penny's head. I would recommend this book to people who like to read about animals. This book is funny. I give it 5 stars.

Black Lagoon Adventures Book List Kids Book Series

Black Lagoon Adventures Book List: Each story in this series can stand on its own, but the books are numbered which often means that there will be some minor details that carry over from earlier to later books, such as a new character being introduced in a book and reappearing in a later book when the readers are expected to have already met him/her.
