The critical fraction Armed and Dangerous

I've seen analyses of the long odds the U.S. government would face if it ever attempted to confiscate civilian firearms before. The Mathematics of Countering Tyranny seems like a particularly well done example.. The authors compute that under very generous assumptions there are about 83000 door-knockers available to perform confiscation raids.

Frankfurt School Wikipedia

The term "Frankfurt School" arose informally to describe the thinkers affiliated or merely associated with the Frankfurt Institute for Social Research; it is not the title of any specific position or institution per se, and few of these theorists used the term themselves. The Institute for Social Research (Institut für Sozialforschung) was founded in 1923 by Carl Grünberg, a Marxist legal and

The Most Important SAT Critical Reading Tip

The biggest thing you can do to improve your SAT Critical Reading score is to focus on the main idea of the passage. If you're having trouble with the critical reading passages, you're probably getting stuck on the details and missing the main idea. Most of the questions, even if they're about specific details, relate back to the main idea in some way.
