RELATED BOOK :

Longship Wikipedia

Longships were a type of specialised Viking warships that have a long history in Scandinavia. Their existence being archaeologically proven and documented from at least the fourth century BC. Originally invented and used by the Norsemen (commonly known as the Vikings) for commerce, exploration, and warfare during the Viking Age, many of the longship s characteristics were adopted by other

The Long Ships 1964 Rotten Tomatoes

Any attempt to put this into the epic class falls down because of a hodge-podge of a storyline, a mixture of styles and insufficient development of characterization.
