What is a bill of lading B L definition and meaning

It serves as a proof of ownership (title) of the cargo, and may be issued either in a negotiable or non-negotiable form. In negotiable form, it is commonly used in letter of credit transactions, and may be bought, sold, or traded; or used as security for borrowing money. A bill of lading is required in all claims for compensation for any damage, delay, or loss; and for the resolution of disputes

LCViews Bankers risk in paying for oil cargoes against

In the oil (paper) trade, Bills of Lading need to be physically checked and endorsed following each transfer of title, possibly along a chain of buyers and banks. The consequence is that in short-sea trades where voyage time takes just a few days, the cargoes arrive at the port of discharge long before the Bills of Lading. The commodity traders found a way to deal with this matter by offering
