### **Shabby chic Wikipedia**

Shabby chic (/ i k /) is a form of interior design where furniture and furnishings are either chosen for their appearance of age and signs of wear and tear or where new items are distressed to achieve the appearance of an antique. At the same time, a soft, opulent, yet cottage-style decor, often with an affected feel is emphasized to differentiate it from genuine period decor.

### **Rachel Ashwell's Shabby Chic Inspirations Rachel Ashwell**

Let me just say that I own and love most R.A. books, and my house is furnished very much in the shabby chic style. While this book offered a few pages of eye-candy that was within the shabby chic aesthetics, most of the material presented was disappointing to me.
