### **Blue Highways by William Least Heat Moon**

I am old enough to remember the days BEFORE the Interstates when the Blue Highways were THE Highways. I remember this being one of those books that I thought changed my life in one of those very middle class ways.

### **Blue Highways A Journey into America by William Least**

The notion behind the book Blue Highways lies within self-discovery. The man behind the autobiography, William Heat-Moon, decided his everyday life didn't have the appeal he was looking for. He left behind his day job, neighbors and acquaintances, and took to the road in his 70's Chevy van.
