

THE SLEEPING GIANT BOOK

RELATED BOOK :

Sleeping Giant

Today's working class is a sleeping giant. And as Tamara Draut makes abundantly clear, it is just now waking up to its untapped political power. *Sleeping Giant* is the first major examination of the new working class and the role it will play in our economic and political future.

The Sleeping Giant The Awakening of the Self Employed

Just as it seems that all the media can offer are pronouncements of doom and gloom for the world in general, and business in particular, Ken McElroy provides the work force with a truly inspiring voice of optimism in his fourth book, *The Sleeping Giant*.
