Mr.Krugman likes to embellish his political views in the "Economics in Action" section. Here is a piece of advice to you Mr.Krugman - try to actually explain the topics and not to confuse students by unnecessary information. I would like to point out that a reader would be better off with another introductory Economics textbook.

Contra Krugman The Book

Paul Krugman's message isn't particularly subtle: the economy shouldn't be left alone. People like Krugman should be in charge of it. That suits Krugman just fine -- after all, he's sure he's been right about practically everything over the past two decades.
