Morgue Wikipedia

Etymology and lexicology. Mortuary early 14c., from Anglo-French mortuarie "gift to a parish priest from a deceased parishioner," from Medieval Latin mortuarium, noun use of neuter of Late Latin adjective mortuarius "pertaining to the dead," from Latin mortuus, pp. of mori "to die" (see mortal (adj.)). Meaning "place where bodies are kept temporarily" first recorded 1865, a euphemism for

Reconstructed Temple of the Night Sun in Mortuary of Queen

At Ancient Origins, we believe that one of the most important fields of knowledge we can pursue as human beings is our beginnings. And while some people may seem content with the story as it stands, our view is that there exists countless mysteries, scientific anomalies and surprising artifacts that have yet to be discovered and explained.
