Three Blind Mice and Other Stories by Agatha Christie

Three Blind Mice is not a very long book- it does not have to be, because every word in this little novella has purpose; no sentence is superfluous or wasted. A true master does not need long flowery paragraphs to set the scene, create the right atmosphere, or to bring the characters alive.

Three Blind Mice How the TV Networks Lost Their Way

Three Blind Mice is a very comprehensive look at the network television business from 1984 to 1991. During this time the monopoly that network television enjoyed for several decades came to an end. The three networks share of viewers dropped from 90% to 65%. Viewers had many more choices due to the growth of cable channels.
