Life imprisonment Wikipedia

In 2011, the Supreme Court of the United States ruled that sentencing minors to life without parole, automatically (as the result of a statute) or as the result of a judicial decision, for crimes other than intentional homicide, violated the Eighth Amendment's ban on "cruel and unusual punishments", in the case of *Graham v. Florida*.

Human Knowledge Foundations and Limits

Why is there something rather than nothing? Might the world be an illusion or dream? What exists beyond the human senses? What happens after death? Does divine or supernatural agency exist? Is the future already decided?; What is the meaning of life? What is right and wrong? Is the world good or bad? Are humans good or evil? What beings should have what rights?

Life Wikipedia

Life is a characteristic that distinguishes physical entities that have biological processes, such as signaling and self-sustaining processes, from those that do not, either because such functions have ceased (they have died), or because they never had such functions and are classified as inanimate. Various forms of life exist, such as plants, animals, fungi, protists, archaea, and bacteria.
