RELATED BOOK :

Wine Country California Wikipedia

Wine Country is the region of California, in the northern Bay Area, known worldwide as a premium wine-growing region. The region is famed for its wineries, its cuisine,, Michelin star restaurants, boutique hotels, luxury resorts, historic architecture, and culture. Viticulture and wine-making have been practiced in the region since the Spanish missionaries from Mission San Francisco Solano

California wine Wikipedia

California wine is wine made in the U.S. state of California. Almost three quarters the size of France, California accounts for nearly 90 percent of American wine production. The production of wine in California is one third larger than that of Australia. If California were a separate country, it would be the world's fourth largest wine producer.
