eBook Micro FAQ FAQ Booknook biz

In fact, an eBook's pages are actually an illusion, created by the device. In reality, an eBook is one very long webpage (or a series of very long webpages), and the view of the pages changes as each device opens it, and as each human reader chooses his font size and, in some instances, the font.

Micro by Michael Crichton Goodreads

Micro is another story. Clearly, the writing style in the first third of the book is Crichton's, with emphasis on the "gee whiz" scientific aspects of the story that so often (and welcomingly) permeates his books.
