Chasing Fireflies A Novel of Discovery by Charles Martin

Charles Martin is one of my favorite authors and he proved himself again with Chasing Fireflies! What an incredible book!! Martin's gift for storytelling and character development are phenomenal. It seems that with each of his books, they start out a bit slow as he is setting the foundation for the story and each of the characters.

Chasing Fireflies was an awesome book. It started a little slow, but WOW! The author had so many wonderful ways of explaining and thinking about life. Chasing Fireflies book by Charles Martin Thriftbooks

With Chasing Fireflies he has awakened hope and joy. Charles' prose is exceptional and his characters connected with my emotions in ways few authors can achieve. This is a beautiful story of one man's journey for his identity, a boy's ability to communicate without words and the honour and integrity of a man willing to make a lifelong sacrifice
