First Time Parents 8601200494730 Amazon com Books

I love all of Dr. Stoppard's books, but this one is truly a book for mom and dad. This is also a book that focuses on the needs of the parents as well as the needs of the baby. The first-time parents concerns are examined and Dr. Miriam deals with every aspect from preparing for pregnancy to bonding with the baby as a family.

10 Must Read Pregnancy Books For Expecting Moms

The book is split into 2 sections, and I would recommend reading the second half of the book first. The second half is about the birth process and the whole biological aspect, which is great for anyone even if you plan on having a hospital birth. The first part is about stories from moms who had natural births and kind of pushes the

whole idea.
