### **Coffee Cake Mug Cake Yeah Immaeatthat**

Had extra time this morning and made this! Pancake mix >> regular flour I substituted coconut oil for butter Unfortunately I did the full 60 sec (#distracted) so it was a little dry, I chose to make it a literal coffee cake and poured a little coffee over it that turned it to the perfect moist cake (not sorry for using moist)

### **Coffee Cake BBC Good Food**

I see alot of comment saying the finished result is greesy. I would say that the butter has been melted by addiding the boiling water coffee solution too early.
