### **THISisCarpentry**

Most contractors and carpenters are familiar with once in a lifetime jobs. For some of us, a once-in-a-lifetime job is simply having a client that appreciates your work, and when the job is finished, doesn't complain about your final invoice (with all the extras!).

### **Joiner Wikipedia**

A joiner is an artisan who builds things by joining pieces of wood, particularly lighter and more ornamental work than that done by a carpenter, including furniture and the "fittings" of a house, ship, etc. Joiners may work in a workshop, because the formation of various joints is made easier by the use of non-portable, powered machinery, or on job site.
