Representing the Colonized Anthropology's Interlocutors

What are the relations between the discourse of multiculturalism and that of indigeneity in Australia? In problematising these relations this paper explores the affiliations that Latin American migrants and political refugees living in Adelaide have with the notion of indigeneity .

The Influence of Edward Said and Orientalism on Anthropology

Second, American anthropologists have fallen hardest for Orientalism and the whole train of posts .Third, when the critics write of the errors of anthropology they frequently turn to the notion of culture , a concept central to classic American anthropology but peripheral to the British tradition, and the postcolonial imaginary is more likely to fasten on American anthropologists such as Franz Boas, Ruth Benedict, Margaret Mead, and Clifford

Geertz.
