Alice Munro New York Times

Alice Munro. Munro writes stories that have the density - moral, emotional, sometimes historical - of other writers' novels. Witty, subtle, passionate, this book of stories is exceptionally knowledgeable about the content and movement of individual human feeling. Munro's stories are "well-made," but they are no more than journeymen's work.

Dear Life by Alice Munro Goodreads Share book

However, in *Dear Life* Alice Munro has written the same kind of truly reflective snippets of life that made Sherwood Anderson's work the well-respected, and frankly, forgettable novel it is. Stories about everyday events and the less-than-dramatic moments of an average joe's average day do not enthrall me.

'Runaway' Alice's Wonderland The New York Times

'Runaway': Alice's Wonderland. More than any writer since Chekhov, Munro strives for and achieves, in each of her stories, a gestaltlike completeness in the representation of a life. She always had a genius for developing and
