5 of the Best Books About Mary Queen of Scots BOOK RIOT

Queen of Scots: The True Life of Mary Stuart by John Guy. John Guy has written a couple books about Mary Queen of Scots. I thought this biography was the best one of those to include in this list, mostly because this book doesn't dwell on her as a Queen Gone Wild.

Mary Queen of Scots by Antonia Fraser Goodreads

I've never read a nonfiction book about Mary Stuart, and the last (and, I think, only) fiction book I've read about her was back in elementary school, when I read her book from the Royal Diaries series. (I think it was called Mary, Queen of Scots: Queen Without a Country or something)

Amazon.com Mary Queen of Scots 9780385311298 Antonia

I am reviewing the physical book, Mary, Queen of Scots by Antonia Fraser. As another commenter pointed out, some of these reviews do not appear to be for Fraser's book. Some complained the book was too long.

Mary Queen of Scots by Antonia Fraser Hardcover Barnes

She made the subject of Mary Queen of Scots and British royalty intriguing and fascinating. Now I am more excited to continue reading about the subject and I will definitely be reading more of Ms. Fraser's works. I would recommend this book to anyone interested in either Mary Queen of Scots or the history of the British royalty.
