Death Angel Alexandra Cooper 15 by Linda Fairstein

I have finished reading the fast-paced Death Angel by Linda Fairstein. This is the first novel I have read by her but this isn't the first novel she's written. Death Angel is 15th in the Alexandra Cooper series. Alexandra is an Assistant DA for the Manhattan Special Victims Unit (yes like Alex Cabot on Law and Order).

Death Angel Alexandra Cooper Series 15 by Linda

Death Angel is her latest exploration of the world of Assistant DA Alex Cooper, and it does not disappoint. The crime elements are realistic as is the investigation. The writing is fast paced.

Death Angel All About Romance

Earlier this year, there was a lively discussion about Death Angel, my favorite book for 2008, on our books forum. When I recently realized there was no AAR review, I felt both compelled and eager to share my fascination with this book.

Book Review Death Angel Linda Howard

It'll be a lot better if Linda Howard decided to make things between them even slower. Although I really hate giving this book a three-point-five rating instead of a four rating, I have to do it. Sadly, the first half of the book

is the only redeeming quality of Death Angel.

REVIEW Death Angel by Linda Howard dearauthor com

Uh, Susan, Diaz and Milla are in Cry No More. I went into Death Angel thinking it was the story of the ambiguously bad villain of Cover of Night. Read the whole book still thinking that and loved it. I was very surprised to check the villain s many aliases and discover that my assumption was wrong.
