First Step 2 Forever by Justin Bieber Goodreads

"First Step 2 Forever" is a hardcover, multi-colored monstrosity that clocks in at 240 pages half of which feature full-page pictures of the 16-year-old Bieber. This should please the majority of his pint-sized fans, who are looking for nothing more than a visual companion to Bieber's equally sugar-coated albums.

Justin Bieber First Step 2 Forever My Story Walmart com

Justin's First Step 2 Forever was breathtaking. The photographer took photos of Justin and his friends perfectly and it was in the right angle, it was just PERFECT. What I love about this book is that the book is like a diary.
