Well read Wednesdays On the Red Queen by Matt Ridley

Ridley uses the Red Queen analogy in a very different way, as seen through the looking glass, to explain sex as a way to keep genes ahead of parasites and viruses. Sexual selection provides a way to enhance genetic reproduction and conquer the factors that try to weaken it. Sex, therefore, allows movement forward.

The Red Queen Sex and the Evolution of Human Nature 2nd

The Red Queen: Sex and the Evolution of Human Nature by Matt Ridley "The Red Queen" is the very interesting book about how human nature evolved as a result of sex. According to the author, human beings were "designed" to reproduce and that without understanding competitive reproduction we will not be able to comprehend the human psyche and nature.
