Soviet Soldiers at World War 2 in Color English Russia

Such photos always fascinate me. I mean the color photos from the past, the older the better. These ones is no exception. We got used to see only black and white photos from the World War 2 the color photography was very expensive at that times and actually was not widely implemented, and especially usually nobody took the expensive equipment to the battlefield.

World Reading Challenge Books Around The Globe 2018

I love that books can transport us; even without leaving home. In my ideal world, I d read a different book every week of the year. Each one would be set in a different country and I d travel the globe through world literature. Though this is a rather ambitious reading goal, I wanted to capture what this world reading challenge would look like and give it a shot regardless!
