### **The Pelvis and Sciatic Pain Rick Olderman Fixing You**

Sciatic pain is almost as ubiquitous as back pain in our culture. As with most chronic pain conditions, I've found sciatic pain to be a problem in people's habits such as sitting or sleeping postures as well as anatomical issues such as tight muscles in the front of the pelvis or weak muscles in the back of the pelvis.

### **Adaptation Simple English Wikipedia the free encyclopedia**

Adaptation is the evolutionary process where an organism becomes better suited to its habitat. This process takes place over many generations. It is one of the basic phenomena of biology. When people speak about adaptation, they often mean a 'feature' (a trait) which helps an animal or plant survive. An example is the adaptation of horses' teeth to grinding grass.
