The No nonsense Guide to International Development

The popular image of development as a progressive force bears little relationship to reality. The economic benefits of expensive large-scale infrastructure projects have not trickled down. Increasing concern about the environmental effects of rapid industrialization and a recognition of the need for sustainable development has led to tension between the industrial countries that have already

The No Nonsense Guide to International Development

In this No-Nonsense Guide, Maggie Black exposes the hypocrisy and reveals a more accurate picture of what is happening in development's name, arguing for a process to be put in place that truly defends the interests of poor people. About the author: Maggie Black has written books for UNICEF, and Oxfam.
