### Numerology Book Recommendations Numerology com

As for Numerology books, obviously, Numerology; Key To Your Inner Self (Hans Decoz with Tom Monte) tops the list. Not only because I wrote it, but because it compensates for the most common shortcoming among other Numerology books: a consistent focus on the personalities of the numbers as they appear in different aspects of the charts.

### Reviews on Numerology Key To Your Inner Self DECOZ

Excellent numerology book and software By Joseph Capelli on April 30, 2004. Of the 30+ numerology books I have read, this is by far the best. Well written and smartly laid out, this book will show you the depth and insight of numerology like no other book. The free software offered by the author is the best numerology software on the market today.
