The Time Machine Audible Audiobook Unabridged amazon com

"The Time Machine" shatters any assumption that a classic has to be stuffy, irrelevant or out of date (of course, it is by no means the only classic novel to do so). Wells creates the first novel about a time traveling machine with wit, intelligence, suspense, political satire and an adventurous spirit.

LibriVox

The Time Machine. This novel is generally credited with the popularization of the concept of time travel using a vehicle that allows an operator to travel purposefully and selectively. (Summary from wikipedia.org) Note: This audiobook contains readings of chapter 1 by two different readers. Variety is the spice of life.

The Time Machine Audiobook by H G Wells Audible com

What was one of the most memorable moments of The Time Machine? The final fleeing from the Morlocks, and the subtle implication of the girl who fell behind's fate. Who would you have cast as narrator instead of Alan Munro? The last audiobook I bought, which I quite enjoyed, was The Stand. The narrator was wonderful.
