San Francisco Mint Wikipedia

The San Francisco Mint is a branch of the United States Mint and was opened in 1854 to serve the gold mines of the California Gold Rush. It quickly outgrew its first building and moved into a new one in 1874. This building, the Old United States Mint, also known affectionately as The Granite Lady, is one of the few that survived the great 1906 San Francisco earthquake.

Palace Hotel San Francisco A Brief Illustrated History

Opened on October 2, 1875, The Palace Hotel was the glorious final "gift" of the colorful -- but ill-fated -- William Chapman Ralston to his adopted home city of San Francisco. Born in Ohio on January 12, 1826, Ralston, an agent -- and sometimes even last minute captain -- of Gold Rush steamers that ferried thousands of gold-seekers to California from Panama, was 28 when he finally settled

The Cable Car Home Page Cable Car Lines in San Francisco

The Feel of the Rope tells the story of San Francisco's cable cars. That story has been told in more books and videos than anyone can count, but Nick Tomizawa's The Feel of the Rope takes a unique perspective. Like many other videos, it shows the cars climbing the hills, talks about the technology, and illustrates the history with well-chosen old photos.
