Better Definition of Better by Merriam Webster

Adjective. Her second book is better than her first one. This one is no better than that one. She's a better golfer than I am. He's a better singer than he is an actor. He's much better with children now that he's a father himself. The weather is better today than it was yesterday. They came up with a better solution to the problem. Don't you have something better to do than to watch TV all day?

The Dangerous Consequences of High Stakes Standardized

Tests are called "high-stakes" when they used to make major decisions about a student, such as high school graduation or grade promotion. To be high stakes, a test has to be very important in the decision process or be able to override other information (for example, a student does not graduate if s/he does not pass the test regardless of how well s/he did in school).

The Concept and Teaching of Place Value in Math

The Concept and Teaching of Place-Value Richard Garlikov. An analysis of representative literature concerning the widely recognized ineffective learning of "place-value" by American children arguably also demonstrates a widespread lack of understanding of the concept of place-value among elementary school arithmetic teachers and among researchers themselves.
