Six Keys to Understanding Women Psychology Today

Understanding what women want isn't that complicated. 1. Recognize that women want to feel connected. Women want to make sure the relationship is on solid ground. After a period of separation (even a day apart), establish that closeness as soon as you can, and everything afterward will flow more freely.

How to Understand Women 14 Steps with Pictures wikiHow

Women and men have slight differences, including Studies suggest that women have a slightly sharper sense of smell and vision than men do. This is a possible explanation for why women are considered to be more "detail-oriented." Women are more likely to recall memories that have emotional significance.
