Good to Great Quotes by James C Collins

The good-to-great companies made a habit of putting their best people on their best opportunities, not their biggest problems. The comparison companies had a penchant for doing just the opposite, failing to grasp the fact that managing your problems can only make you good, whereas building your opportunities is the only way to become great.

Books Jim Collins Good to Great

good to great This book addresses a single question: can a good company become a great company, and if so, how? Based on a five-year research project comparing companies that made the leap to those that did not, Good to Great shows that greatness is not primarily a function of circumstance but largely a matter of conscious choice, and discipline.
