"The Hornet's Nest" is the first novel by President Jimmy Carter, and that fact alone makes this book a compelling read. It is a historical novel set in Georgia during the years leading up to and during the American Revolution.

Hornet's Nest book by Patricia Cornwell Thriftbooks

Sometimes the Kay Scarpetta books get too creepy and scary for me, so it was a relief that this book was more comedic than suspenseful. I thought Hornet's Nest was hilarious. It's very different from the Kay Scarpetta series, so if that's what you're expecting, you may be disappointed.

Hornet's Nest Andy Brazil 1 Goodreads Share book

Hornet's Nest is probably the best of the three, although the characters are shallow and unconvincing and the plot is weak and implausible. There is some humour and some sexual tension which is frustrating. I read the 3 Andy Brazil books against advice from more than one person.

The Girl Who Kicked The Hornets Nest by Stieg Larsson

The Girl Who Kicked The Horne t s Nest follows on from book two in the Millennium series, The Girl Who Played With Fire.It picks up right where the second book left of and has a similar pace. By similar pace, I mean that the first third of this book is a slow build.
