### **Amazon com Masque of the Red Death 9780062107800**

Not in Masque of the Red Death. Yes it's there, but it doesn't take over the story. Neither guy is completely perfect and I question both their motives. I'm not sure I trust either one, but I like that. It adds more mystery to the novel and more confusion. Masque of the Red Death is a dark, edgy book that draws you in and won't let go.
