The Snow Leopard a book by Peter Matthiessen Book review

The Snow Leopard by Peter Matthiessen was the choice this time, a classic novel of discovery. Matthiessen was a literary giant, the only writer to win the National Book Award for both fiction and non-fiction. Winning the 1979 Contemporary Thought Award and 1980 General Non-Fiction award for this very book.

The Snow Leopard book by Peter Matthiessen

Spare, lyrical and honest, the Snow Leopard lifts the reader's mind to the high deserts of Nepal. Reading it is almost like spending an afternoon in quiet contemplation. I've read several books that deal with Zen and what makes this book work is that the author is unflinchingly honest about the internal journey that is at the heart of the book.

Book Review The Snow Leopard by Peter Matthiessen

The Snow Leopard (1978), a beautiful true account of a wildlife research trek into the Himalayas, reads like a novel. It's rich with sensory detail capturing the sights, tastes, smells, sounds and textures of the author's journey as well as his observations and feelings along the way.

The Snow Leopard Share book recommendations with your

From the beginning of time, out of silence, Snow Leopard sang the stars to life, the sun to rise and the moon to wax and wane. High above the hidden valley, her song clothed the world in white and built a crackling fortress of snow, buttressed with ice, to keep all things safe and secret.
