The Giver by Lois Lowry Paperback Barnes Noble

The Giver is a fascinating book, it always brought up discussion. It was pretty challenging to put all the pieces of the book together, but once I got them together it was awesome. Jonas was a perfect character for the book. It was pretty sad, once you understood what released meant.

The Giver Audiobook by Lois Lowry Audible com

I liked Ron Rifkin as The Giver but not as Jonas, a little too whiny at times with his voice. Any additional comments? The book was amazing at bringing you along for the ride, the most sad part was Jonas seeing what the 'release' was. Really good character development and would recommend to anyone.
