Let It Go Downsizing Your Way to a Richer Happier Life

Let it Go! I loved this book. I have been listening to the book while driving and my girls have been listening, too and they also have been taking a lot of what is being said to heart. My oldest cleaned out her room. My youngest is sorting through stuffed toys and deciding which can leave forever.

PDF Let it Go Forgive So You Can Be Forgiven 2012

Reading this book took me on an emotional journey of enlightenment, laughter, offense, anger, sadness and relief. While Let it Go does focus on the spiritual significance of forgiveness, Jakes appeal translates into our nonsecular world. I would highly recommend this book for anyone who is struggling with the challenge of forgiveness.

Let it Go When to Abandon a Book Playful Learning

I share my Goodreads list with them, and tell them about the books I have let go. I tell them that it feels hard to let one go. Sometimes they beg me to give a book another chance, but they are ALWAYS surprised when I tell them that adults abandon books too. I share my thinking, and I tell them that abandoning a book does not equate to failure.
